Arrangements have been completed  
between Bissels & Sellas, proprietors  
of the Norwich Candy Kitchen, and

end of the car office is to be taken  
for an addition to the candy store.  
The changes will be made as soon as

**AT BROADWAY THEATER.**  
**Primrose's Minstrels.**

An audience of good proportions  
which was evidently much pleased, as  
the applause was indicative of such  
feeling, was at the Broadway theater  
on Friday evening to see Primrose's  
Minstrels. As the leader of a minstrel  
troupe Primrose has held his boards  
for many years, and he still shows the  
same clever traits which has ever  
characterized his work. He signs and  
dances with plenty of action, the dan-  
cing being one of the features of the  
evening. His jokes are well told. He  
is surrounded by a fairly representa-  
tive minstrel troupe, although not the  
equal of some years. The quartette  
sings well, and the solo numbers are  
finely given. Put on Your Old Gray  
Bonnet, by Frank Bright, and I Want  
Somebody to Play With, by Thomas  
Weir, being particularly good. Madame  
Rascally and her band was a side-split-  
ting number.

In the olio Tiptoe and Kliment in their  
comedy musical act made a hit.  
Somebody to Play With, by Thomas  
Weir, and a woman made good in make-  
up and voice. Blondell in his vocal  
selections got big hand, while the  
Church City quartette sang in fine  
voice. Gov. Baven as a comedian is  
clever and made good from the start.  
Down Home, a singing and dancing  
spectacular act in four scenes, was  
well given and won much applause.

**FOUR MONTHS IN JAIL.**  
**McClure Denied He Was Guilty, but**  
**Evidence Was Against Him—Potato**  
**Case Notted.**

In the city court on Friday morning  
the case against Hector McClure,  
charged with the theft of a gold watch  
from David Twohig, valued at \$18, was  
presented. He pleaded not guilty, but  
was found guilty and given four  
months in jail and the costs. Michael  
Gorton, arrested in connection with  
the case, was discharged.

It was in the McClure house and  
not at David Twohig's home where the  
watch was committed. The McClure  
house is a short distance from where  
the watch was found. McClure being  
there, Mrs. McClure being away.

An afternoon session of the court  
was held, when the continued case  
against V. C. Cook, charged with em-  
bezzlement, was called. This concern-  
ed the sum of \$225.57, which Mr. Try-  
on of Durham claim claimed Mr. Cook  
owed him for potatoes. Mr. Cook ex-  
plained that there were poor potatoes  
on the last carload and enumerated a  
number of charges which he had to  
meet. Judge Brown stated he thought  
the matter concerned a book account  
rather than a criminal matter. There  
was a conference of the parties inter-  
ested in the case, and it was noted. The  
matter, it is understood, will be ad-  
justed.

**XENS HAVE MEETING.**  
**Decide to Have Orchestra from New**  
**London Give Concert—Entertainment**  
**Followed.**

The regular monthly meeting of the  
Xen's was held Friday evening at the  
home of Mrs. William T. Thayer of  
West Main street. The vice president,  
John B. Oat, conducted the meeting.  
In the absence of the president, fol-  
lowing the regular business, Mr. Oat  
read a letter representing the Nathan  
Hale school orchestra of New London.  
The orchestra, which is to give a con-  
cert in New London, consists of thirty  
pieces under the leadership of Mr.  
Keyes. These concerts have been given  
during the past nineteen years un-  
der the supervision of Charles B. Jen-  
nings, superintendent of the New Lon-  
don schools. A vote was taken to have  
the orchestra give a concert for the  
benefit of the Xens.

At the close of the meeting the  
entertainment committee had prepared  
program prepared, which was en-  
joyed by all.

church on Friday evening, the monthly  
meeting of the Epworth League was  
held in the vestry. President  
Howard M. Porter conducted the  
business part of the program. The  
meeting concluded with an enjoyable  
social for the good number present.

**ENUMERATORS AT WORK.**  
**Made Good Progress on First Day—**  
**One Had the Door Shut in His Face.**

The census enumerators started in  
on their work here Friday and made  
good progress in all sections. On Fri-  
day evening they gathered in Town  
hall, where County Supervisor Downes  
looked over the sheets. Today he will  
go to New London to see the enumer-  
ators there. He complimented the lo-  
cal men very highly for the neat ap-  
pearance of their sheets and for the  
accuracy with which the work has  
been started. One of the enumerators  
said that a woman shut the door in his  
face, saying she had no time to bother  
with him.

The enumerators are required to  
send in daily the number of hours  
they worked and give the names of  
names which they secured. There has  
been and still is considerable talk re-  
garding the number of enumerators  
which will be received here. Some think  
the census will not show as much as  
the last, but in the opinion of the enu-  
merators it will greatly exceed it.

**Handsome Magnolia.**  
The beautiful magnolia tree in the  
front yard of the Buckingham Ma-  
nual has come into full bloom in the  
last two days. Most of the blossoms  
show some black spots, which they were  
touched by the cold nights in the early  
part of the week.
